

OKLAHOMA BOOMERS

ANXIOUSLY LYING IN WAIT ON THE
BORDERS UNTIL APRIL 22,

To Gobble Up the Land Which Has Recently Been Opened by the Action of the National Congress—The Army in Trouble.

TOPEKA, Kas., April 5.—The members of the Board of Railroad Assessors, just returned from a trip through Oklahoma, report army officers as saying that thousands of boomers are still concealed in the bush, and that if the whole United States army was there it could not drive them out. Names are taken, but ninety out of 100 are fictitious. Cant. Woodson and Lieut. Carson are in receipt of telegrams from army officers to drive them out. A party of four boomers with a balloon are camped near Antelope Hills. They will make an ascent in the morning, drift in mid air till noon and then descend hours in advance of teams and speedy horses. State officials anticipate trouble and say the country will be an El Dorado for good land office lawyers. The excitement is increasing daily, and all Southern Kansas is abuzz. The boomers think that Oklahoma is not what it has been painted. The soil is red and the land is good chiefly for hay and cotton. Oklahoma was surveyed some years ago, but the corners are nearly all obliterated now. Settlers taking claims will find it difficult to describe the same when they go to the land office to make a filing and this will give rise to innumerable contests. More will grow out of the filings by boomers who stayed in the country against the President's orders and will come out of the timber April 22 and file anyway. Contests settled at first by Winchester will afterward have to be settled again in the courts. The outlook for the country and the boomers is not Academic, by any means.

WARREN'S Long Cabin Remedies—old-fashioned, simple compounds, used in the days of our early forefathers, are "old timers," but "old reliable." They comprise WARREN'S LONG CABIN SARSAPARILLA, "Hops and Buchu Remedy," "Cough and Consumption Remedy," "Hair Tonic," "Extract" for External and Internal Use; "Plasters," "Rose Cream," for Catarrh, and "Liver Pills." They are sold by H. H. Warner & Co., proprietors of Warren's Safe Remedies, and promise to equal the standard value of these great preparations. All drug stores keep them.

The Sophie a Splendid Ship.
WASHINGTON, April 5.—The German corvette Sophie, which sails for Zanzibar today for Samoa, is another fine ship, superior to either the Richmond, Adams or Alert, which will constitute the American squadron at Samoa. She is of composite type, fourteen knots speed, 2,300 tons burden, carries eight six-inch and three and a half inch rifles, and four machine guns, with a torpedo outfit, and uses forced draft, which engineers here think contributed largely to the escape of the English war vessel Calliope, as it enabled her to get up steam in a short time.

Wilson & Hines, 232 Main Street, sell all grades of Furniture, Carpets, Rugs, Mattings, etc., at the very lowest possible cash prices. Also do repairing, upholstering, shipping and packing furniture, and guarantee good and satisfactory work.

BETTER MAIL FACILITIES.

Gen. James R. Chalmers Addresses a Business Letter to Mr. Wansmaker. With all its boasted railway facilities, the mail service between Memphis and the South and Southwest is almost as bad as in old ante-war days.

The effect of this in a business way upon Memphis cannot be estimated, as it comes in a way that renders the keeping of statistics impossible.

Following is a copy of a letter forwarded to Postmaster-General Wansmaker yesterday by Gen. James R. Chalmers.

SARASOTA, Miss., April 5, 1889.
Hon. J. Wansmaker, Postmaster-General.
There is a double daily mail service from Omaha, Neb., to Memphis (and I am quite sure, all the way from San Francisco), and from Omaha to New Orleans. The Memphis division of the Illinois Central Railroad, (old Mississippi & Tennessee Railroad), Memphis and Grenada R. P. O., is the only part of the route that has no double service, and I respectfully ask that it may be supplied. This service is greatly needed; it will give Memphis two mails to New Orleans, supply all the offices on the line of the road with two mails in and out of Memphis, give the south end of the road a daylight train, and which they have not at present. The Memphis morning papers can be delivered in Jackson, Miss., one hour and five minutes earlier than the New Orleans papers, and give them about 130 miles territory they have never supplied. The most of the mail put off at night on the South trip is not delivered until next day. Mail from North and East arrives in Memphis at 5 o'clock a.m., and lays over until 5 o'clock p.m., twelve hours in Memphis, delivered along line of road from 5 o'clock to 9 o'clock p.m., and to most of the public next day, making twenty-four hours from the time it arrives in Memphis until delivered to patrons within a few miles of here. Very respectfully,

J. R. CHALMERS,
Second Cong. Dist., Miss.

AN ACT OF MERCY.

H. Reis, a Deceitful Old Man, Allowed to Leave the State.
In the case of H. Reis, a consumptive old man of sixty-two, convicted of forgery and obtaining money under false pretenses, a new trial was granted yesterday, the proof, in Judge DeLoach's opinion, being insufficient to sustain the charge.

Reis is in the last stage of consumption, and Judge DeLoach felt that sending him to the penitentiary would be equivalent to judicial murder. He therefore granted him a new trial, and on his promise to leave the State, a nolle prosequi was entered by the Attorney-General.

THE ST. LOUIS ELECTION.

St. Louis, Mo., April 5.—The official vote of last Tuesday's election reveals the fact that the Republicans elected one more officer than previously reported. Joseph A. Wherry (Republican), for City Register, is elected over Daniel O'Connor Tracey (Democrat) by eighteen majority. Mayor-elect Koonan will be inaugurated next Tuesday.
